

Name: Brenda Hernandez-Romero

High School: The Young Women's Leadership School of East Harlem

Activities: Running Club, FIVER Children's Foundation (public speaking), Mini Medical School, University of Rochester

College: University of Rochester, Rochester, NY

I am dedicated to my family and community. As the eldest of four siblings, I will be the first to attend college. The Mexican-American Student Alliance (MASA) has been an important part of my life. I volunteered as a tutor at MASA for over six years. I had the opportunity to attend Mini Medical School at the University of Rochester in July 2018, the college I will be attending.
